

# Wedding Anniversary Form

The Vinita Daily Journal publishes readers' wedding anniversary announcements, and the Lifestyles department makes available forms to assist the public in providing all necessary information for publication. The Journal asks that a telephone number and the name of a contact person be listed on the form. The Journal will also publish a picture of the couple or a picture of an individual. The staff reserves the right to refuse pictures that are not suitable for publication. Wedding Anniversary Announcements are published free of charge on the Lifestyles page. You may also email this information to: [lifestyles@cableone.net](mailto:lifestyles@cableone.net).
